

Setting up Application Environment

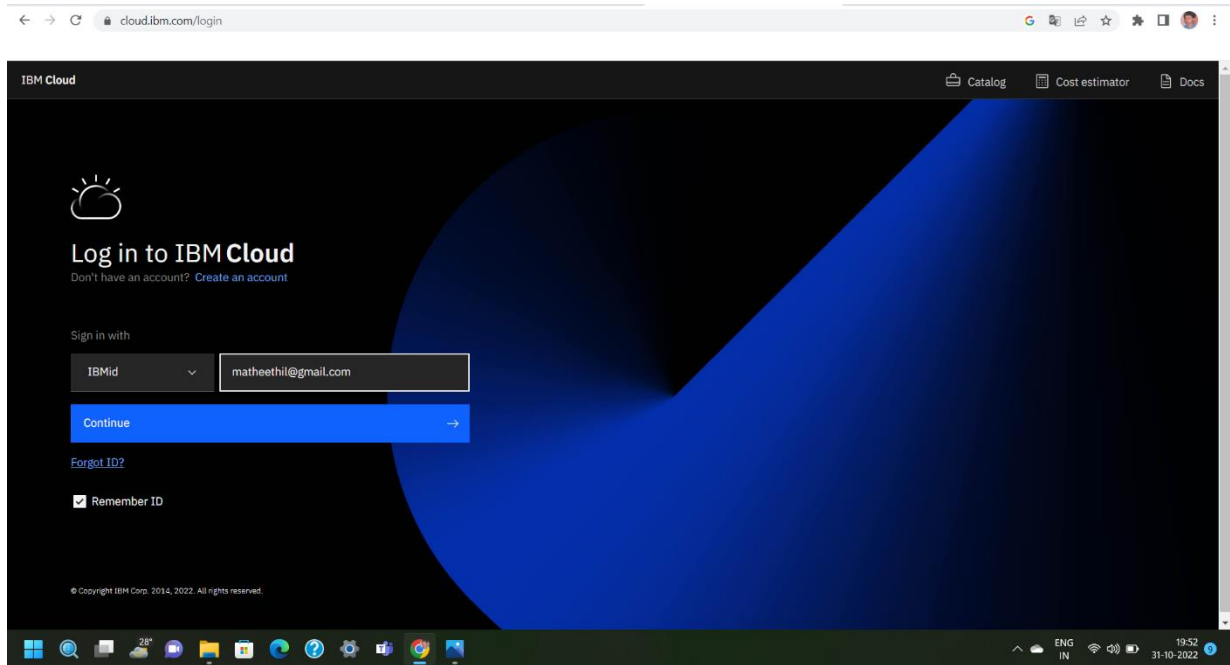

Create IBM Cloud Account

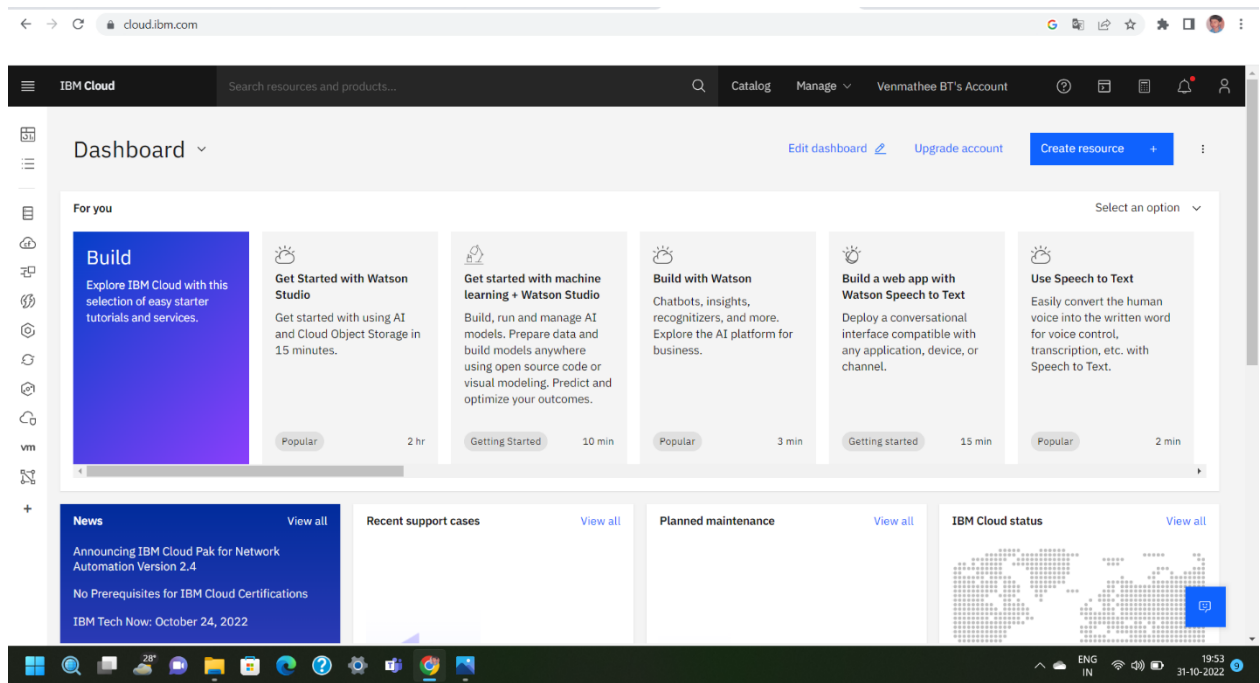

Date	19 October 2022
Team ID	PNT2022TMID23085
Project Name	Plasma Donor Application

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The image shows two screenshots from a web browser. The top screenshot is the IBM SkillsBuild Software Downloads page. It features the IBM logo, navigation links (SkillsBuild, Topics, Usage terms, Additional Resources, FAQ), and a search icon. The main heading is "IBM SkillsBuild Software Downloads". Below it, a paragraph states: "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." There are two buttons: "Already registered? Log in" and "Register now". The bottom screenshot shows the registration form. It has a header "IBM SkillsBuild Software Downloads" and a sub-header "Enter your academic institution issued email to begin". Below this, a note states: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field containing "913119104119@smartinternz.com". Below the input field, there is a link "Find answers in our frequently asked questions" and a "Submit" button. A "Cookie Preferences" link is visible in the bottom right corner of the browser window.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output :

Cloud account created successfully.
