PLASMA DONOR:

A screenshot of a web browser displaying a plasma donor registration form. The browser's address bar shows '127.0.0.1:5000/pda_donorpage'. The form has a purple header with the text 'DONOR PAGE'. Below the header, there are several input fields: 'Enter blood group' with a dropdown menu showing 'A-', 'EMERGENCY' with radio buttons for 'YES' and 'NO' (where 'NO' is selected), 'Full Name' with the text 'meena', 'Phone Number' with '9896972197', 'Email Address' with 'meenu@gmail.com', 'Date' with '30-11-2022', and 'Time' with '13:11'. The form is styled with a light purple background and white input fields.

A second screenshot of the same plasma donor registration form, showing the 'Address Details' section. The 'Full Name', 'Phone Number', 'Email Address', 'Date', and 'Time' fields are filled with the same data as in the first screenshot. The 'Address Details' section includes a text input field for 'Ram nagar' and a dropdown menu for 'tamilnadu'. At the bottom of the form, there is a button labeled 'READY TO DONATE'. The browser's address bar and tabs are visible at the top of the page.
